

# Cumann an Chloighth Cluain Dolcáin

Dear Member / Supporter,

As communicated to Membership at Round Tower AGM Sunday 3<sup>rd</sup> December, Round Tower Executive is introducing new Membership fees for Juveniles (inclusive of minors) for 2018.

The new fees will cover GAA and Club registration, sub payments for referees, insurance and usage of club facilities.

The collective Membership fees will provide savings over the course of a season for Juvenile Members and for family Memberships.

The grouping of fees within Membership is in line with GAA best practice and removes the unsafe practice of Mentors handling large sums of cash for sub payments to referees.

The fees will come into effect 1<sup>st</sup> January 2018 and must be paid online.

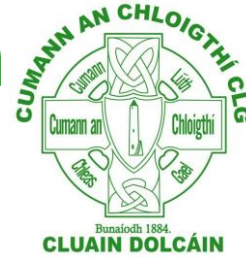

A six month payment option that will present the option of staggered payments will be available. This payment option is only available if started in January.

The new fee structure, provided below, outlines the Membership fees for 2018. Adult Memberships remain the same, and up to under 18 grade - incorporating Minor - is encompassed under the new Juvenile Membership rates.

Under this new scheme for juveniles and minors, weekly subs are included in the membership payment. In previous years, the payment of €5 to cover subs over the course of a 30-game season would amount to €150 per child. Provided in the table below is the typical cost that would have been incurred under the relevant membership category in 2017, with payment of subs at €5 per week included. The discount being applied by the Executive under the new payment structure is also stated. The grouping of payments will bring into effect reductions in fee payments for family memberships.
